

sustainable development & environmental policy

“we’re committed to reaching Net Zero Scope 1, 2 & 3 (excluding materials) by 2042”

Flexiform Environmental Team

Flexiform Business Furniture Limited designs, manufactures, sells, installs and services a wide variety of office furniture products in the UK and Europe. We employ 120 people in the UK and occupy three sites. An 118,000 square foot factory and head office in Bradford, a 2,000 square foot showroom in London and a showroom and warehouse facility in Livingston.

We recognise that in the day to day execution of our business activity, we impact upon society and the environment in several ways. In order to reduce the consequences of these impacts, we are committed to reach Net Zero Scope 1, 2 and 3 (excluding materials) by 2042 and Scope 3 material-related emissions by 2047, while maintaining commitment of our zero to landfill policy and continuous improvement to maximise recycling throughout our sites and operations, through the continued implementation of our ISO 14001:2015 Environmental Management Systems raising stakeholder awareness and understanding of our sustainability development journey.

In line with our Business Policy Statement and environmental objectives, our sustainable development policy relates to reducing our impact by improving in the following areas:

- The use of water, energy and other resources.
- The use of any products related to climate change.
- Waste production, both from the manufacturing side and the installation side.
- Transport and travel.
- Re-cycling initiatives from raw material to finish goods or waste.
- Supply chain evaluation.

Sustainable development objectives are set by the Leadership Team and monitored within the monthly meetings for many areas of the business, including (but not limited to):

- Widening and integrating all aspects of sustainable development initiatives into all our business operations.
- Ensuring that we comply with all relevant current and future legislation.
- Assessing other organisations strategies and learning from them.
- Setting and measuring performance against specific objectives.
- Developing our staff and our suppliers to understand our commitment to environmental issues and to sustainable development.

This policy is supported by the Flexiform Leadership Team will report on its progress within the Leadership Team monthly meetings.
