flexiform

breakout, relax and chat with low back and high back armchairs, sofas and booths

Cote is a flexible armchair, sofa and booth range with black steel legs or lockable castors\*, two tone upholstery, optional

underseat power charging and additional bolster cushions, allowing you to tailor it to a breakout area, café or agile workspace.

2 Person Sofa

Low Back Armchair

High Back Armchair

*\*armchair and sofa only*

A woman in a white shirt and tan pants stands on the left, looking at her phone.

A man in a suit sits on a sofa on the right, holding a laptop and documents.

A large video conference screen is mounted on a stand in the center of the room.

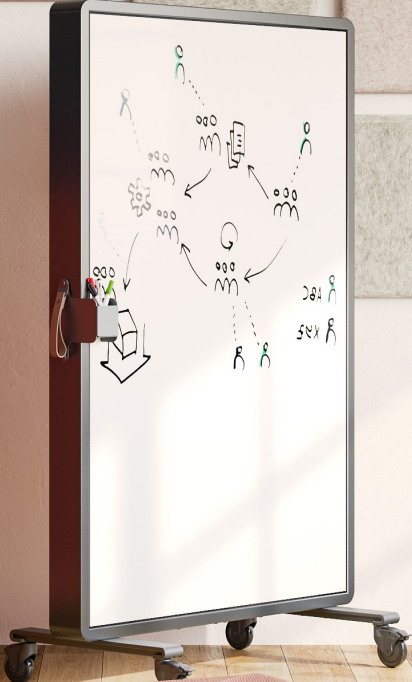

Blue fabric partitions separate the seating areas.

A small round table holds a coffee cup and a smartphone.

A grey cylindrical ottoman is positioned near the coffee table.

Another grey cylindrical ottoman is visible in the foreground.

A blue cylindrical ottoman is partially visible on the right side.

sound deadening  
informal meeting booth

The Cote meeting booth is designed to create a comfortable, informal meeting space with optional bolster cushions, sculpted back support and serpentine spring base. With high sides, the Cote booths absorb sound and create privacy.

Available in 2 person or 4 person configurations with a tapered integral table, and thin pedestal base support to maximise leg room. Optional cable sock and TV mount to support up to 32" TVs.

100% recyclable
