reversible,  
multifunctional  
collaboration, storage  
and decorative walls for  
agile workspaces

The Hoop mobile wall is  
available in multiple  
configurations from a  
decorative plant wall to a  
full AV media wall. Usable  
on both sides, Hoop is  
great for dividing spaces  
and supporting multiple  
projects.

Each mobile wall features  
lockable castors and an  
easy pull handle for  
relocating across  
workspaces.

## Planter and storage walls for biophilic interiors

Designed to divide workspaces in style, the Hoop mobile planter can offer plants anywhere in the office. Do your plants need a boost of light? - Not a problem, wheel it to the window!

These mobile planters feature a fully waterproof tray with an optional cover, giving you the choice of 10 or 20 plant pot holes, or full planting troughs. The Hoop planter wall is available with 2 tiers and a low storage unit, or 4 tiers for maximum plants.

## Mobile bookcase and coat rail for meeting rooms and agile workspaces

The Hoop bookcase and coat rail can offer movable storage anywhere in the office. Pull the coat rail into the meeting room for an elegant coat and bag storage solution, or create a relaxation, focus and wellbeing space with a mobile bookcase.

Coat hangers and bookends complete the Hoop offering.
